INVITED SPEAKERS (confirmed):

Carlos **Aragón**, José Antonio Aguilera, Univ. Navarre (Spain)
Agnes **Cousin**, Los Alamos Natl. Lab. (USA), IRAP, CNRS (France)
Alessandro **De Giacomo**, University of Bari (Italy)
Christophe **Dutouquet**, Inst. Natl. Environ. Industr. Risq. (France)
Jhanis **Gonzalez**, Lawrence Berkeley National Laboratory (USA)
Igor **Gornushkin**, Fed. Inst. Mater. Research a. Testing (Germany)
Mohamed Abdel **Harith**, NILES, Cairo University (Egypt)
Jörg **Hermann**, CNRS, Aix-Marseille Université (France)
Jozef **Kaiser**, Brno University of Technology (Czech Republic)
Javier **Laserna**, University of Malaga (Spain)
Violeta **Lazic**, ENEA Frascati (Italy)
Noureddine **Melikechi**, Delaware State University (USA)
Reinhard **Noll**, Fraunhofer Inst. Laser Technology (Germany)
Vincenzo **Palleschi**, Inst. Chem. Org.met. Comp., CNR Pisa (Italy)
Christian **Parigger**, Space Institute, University of Tennessee (USA)
Mohamad **Sabsabi**, Industrial Materials Institute, NRC (Canada)
Tetsuo **Sakka**, Kyoto University (Japan)
Zhe **Wang**, Tsinghua University (China)
Andy **Whitehouse**, Applied Photonics Ltd. (United Kingdom)
Jin **Yu**, CNRS, Université de Lyon 1 (France)
Vassilia **Zorba**, Lawrence Berkeley National Laboratory (USA)

TOPICS:

- **Applications:** *industrial, environmental, biological, security, mineralogical, forensic, cultural heritage, extra-terrestrial*
- **Fundamental aspects:** *laser induced plasma characterization and modelling, multi-pulse, ultrafast, other excitations*
- **Novel approaches to analytical LIBS**
- **Instrumentation and technology:** *advanced spectrometers, lasers, detectors, data processing & chemometrics*

IMPORTANT DATES:

- ❖ **Abstract submission:** *deadline 31 May 2015*
- ❖ **Registration:** *early-bird deadline 30 June 2015*
- ❖ **Conference:** *kick-off 14 Sept 2015*

PUBLICATION:

Selected contributions to the conference will be published in Spectrochimica Acta Part B after peer-review.

Organization:

Chair: Johannes D. Pedarnig, Johannes Kepler Univ. Linz, Austria
Co-chair: Alessandro De Giacomo, University of Bari, Italy
Co-chair: Johannes Heitz, Johannes Kepler Univ. Linz, Austria
